It was noted that Cllr. Gough had not received her cheque for the collecting boxes.

45. Matters arising. Cllr. Davies asked that the minutes come out the week after the meeting.

It was noted that there was an outstanding quote to renovate the bus shelter on Bradford Road/top of Cottles Lane.

46. Notice Boards. It was agreed that rather than refurbished the board should be replaced. Clerk and JB to find pricing.

47. Representative for Avon Park, it was agreed that Cllr. Gilby would invite one of them to come to our meeting.

48. Defibrillator, all agreed that this had gone very well and that the Clerk should be instructed to reclaim the VAT on the purchase.

This item led to discussion on the date and venue of the parish meeting, usually held in April. Cllr. Gough to liaise with Heartsafe to determine a good date so that Defib training could be included. It was noted that £38.42 had been collected by the collecting boxes and a generous £135 from the Seven Stars quiz night. A sizeable contribution from the BoA Friends would mean a probably second defib, it was agreed by unanimous vote that this should be in Turleigh.

49. Magnus MacDonald gave his update.

50 Clean for the Queen, it was agreed by all that the village should not take part in an official day of litter picking but it had been raised as a problem in specific areas in the past. It was agreed that Cllr. Davies would work on a plan to tackle specific places and engage with groups like the Scouts who have been very helpful in the past.

51. Possible route across the by-pass, following investigation by the Clerk it was agreed that the possibility of using the underpass was not practical or realistic. It was felt that the most obvious solution now was to try and find ways of slowing traffic on its approach to the roundabout at the eastern end. Cllrs. Ladner and Rowe to take this to the next CATG meeting.
