**70. Matters arising.** It was noted that there was an outstanding request for feedback on safety improvements from Wiltshire Council to the B3108. MM to chase. It was noted that the Clerk had asked WC if they could take on work to the part of the tree overhanging the footpath by the play area, no response MM to chase.

Clerk

Cllr. Barnes sought clarification over the comments and opinions given by MM on the subject of the additional parking at Dorothy House. It was noted that Winsley Parish Council had not at any point expressed a preference for parking to be on the field below the corner of the entrance lane to Dorothy House.

It was noted that there had been initial problems with dog waste collections from the new bins however this had proved they were well used and in that sense successful. There had been a request for there to be bags provided and although this was a possibility it was felt that at present the provision of additional bins would be a better use of the money.
