Dear resident,

Car crime has occurred in your neighbourhood

As a part of a pro-active initiative, we are promoting the following crime reduction advice:

- Remove valuables, cash, keys and Sat Nav's from your vehicle, even on private driveways.
- Do not leave any objects or items on clear view including clothing and bags in particular.
- Lock, then physically check your vehicle is secure before leaving it unoccupied.
- wipe away any suction marks on the windscreen
- Glove compartments are often the first place checked, this is not a secure place for a Sat Nav!
- Report any suspicious activity at the time it occurs.

If you have any information regarding crime or suspicious activity, please call 101 or email
