Managing grassland for horses and wildflowers

Free workshop for horse and pony owners and people who manage livery yards, riding schools or their own smallholding.

Tuesday 24th May. 10.30 – approx. 3pm

Manor Farm, Langridge, Bath, BA1 8AJ

This workshop will show how good paddock management not only benefits the health and wellbeing of horses and ponies but also benefits wildflowers and the wider landscape.

Frances Standen will be covering topics such as grazing management, stocking levels, compaction, weed control and the benefits of species rich grassland for equine health. Donald MacIntyre, owner of Emorsgate Seeds, will be talking about how grazing influences wildflower composition.

The talk will be followed by a chance to visit horse-grazed fields on site.

Lunch will be provided.

This event is free but £30 deposit is required to book a place. This will be refunded on attendance.
