Issue Details

Location of Issue:	Turleigh
Community Area:	Bradford-on-Avon
Parish or Town Council:	Turleigh

Nature of Issue: (Max 600 characters)

Despite signing warning that the route is unsuitable for HGV's, these vehicles and large coaches continue to use Turleigh to travel between BoA and Winsley (or elsewhere). This has resulted in damage to property, including damage to the walls and guttering of Turleigh House. The gas supply pipe into the property is also particularly vulnerable to being struck by larger vehicles. In addition, residents are regularly required to move parked vehicles to allow large vehicles to pass through as they are unable to turn around without additional damage.

How long has it been an issue?	

What would you like done to resolve this issue? (Max 600 characters)

Improved signing to reinforce the unsuitability for HGV's
Signing and any other protective measures (bollards, utility guard) to prevent further damage to Turleigh House
Mandatory weight limit to reduce HGV to access only.

These items were discussed at a site meeting with Cllr Kidney and Kirsty Rose, Wiltshire Council.
