Issue Details

Location of Issue:	Millbourn Close Winsley BA15 2NN
Community Area:	Bradford-on-Avon
Parish or Town Council:	Winsley Parish Council
Nature of Issue: (Max 600 characters)	
Footpath linking Millbourn Close to the " Old Village " in Winsley. This path has become a vehicle route directed by SatNavs. Vehicles endeavouring to use the path (which can be several times a day), if they reach the end by the Church they are confronted with 3 stone bollards. This means they must reverse all the way back to Millbourn Close. This, on a path regularly used by pedestrians, is extremely hazardous.	
How long has it been an issue?	~ 4 years
What would you like done to resolve this issue? (Max 600 characters)	
Installation of signage designating it as a shared cycle / footway	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes

This form needs to be completed and e-mailed or sent to your local Town or Parish Council.
Town and Parish contact details are available via the link below:

Town or Parish Council Comments: (To be completed by Town or Parish Council only - Max 600 characters)
We have made several unsuccessful attempts to have the route removed from Google mappting. The footway is the main thoroughfare linking the " Old" village area with the more recent and school. Bollards at the opposite end prevent vehicles proceeding so they must reverse. Signage would seem a reasonable solution.
