

## Planning Report February 2022

<b>Application</b>	<b>Consultation Deadline</b>	<b>Proposed comment</b>
<b>PL/2022/00444</b> 1 Poston Way, BA15 2NJ Replacement of existing store with single storey extension.	17/02/22	No objection. Proposal makes better use of space than existing structure. a sensible, small extension to allow the property to continue to be used by a growing family Check on whether the render finish will match with the attached house.
<b>PL/2022/00190</b> 54A Murhill, BA2 7FG Extend solar panels on roof from 2 panels to 9	21/02/22	Although the property is visible across the valley, the size, choice of solar PV and position of them is unlikely to have impact. Seems an appropriate and timely further development of PV for the property.
<b>PL/2022/00430</b> Turleigh Mill, BA15 2HF New window in rear wall; remove proposed rear rooflight; change in material of proposed front door.	18/02/22	No objection. Minor alterations. Skylight change to window after consultation with neighbour. The requests seem appropriate.

### Treeworks

<b>Application</b>	<b>Consultation Deadline</b>	<b>Proposed comment</b>
<b>PL/2022/00479</b> Green Lane, Turleigh, BA15 2HH Judas Tree (T1) reduce by 1.5 metres and reshape	14/02/22	No objection. Maintenance, good husbandry. The tree is rather large to its surroundings. Would the owners consider adding a TPO, as a fine specimen offering visual amenity to the surrounding area?
