Enquiries and correspondence

- 1) The PC representative from the Cotswold National Landscape forwarded on documents relating to the Government's response to the Landscapes Review, including details of a consultation that ends on the 9th March 2022. This will be brought to the March meeting for consideration.
- 2) Cllr Duncombe reported on contractors who were starting to remove ivy from trees in Dane Rise that are thought to be bat roosts. The contractors stopped working in response to the concerns raised. Selwood Housing have been contacted and are now awaiting the results of a bat survey and will make contact with the Bat Preservation Trust Society.
