

Planning Report March 2022

Application	Consultation Deadline	Proposed comment
PL/2022/01339 & PL/2022/00636 Winsley Manor Farm, BA15 2LT: Oak framed porch/boot room outside the existing front door.	25/03/22	No objection. The application is sympathetic to existing structure. The materials will match and have been sourced to blend in with original building. It is single storey and does not have a detrimental impact on the neighbouring area. As it listed, extra vigilance is required through regulations implemented by Wiltshire council but I do not see any reason to oppose.
