Updates

- 1) The playground equipment has been ordered and a provisional date of 12 September for installation has been provided.
- 2) The WINS16 footpath by Avoncliff has been reported as dangerous and I've reported this via the MyWiltsApp.
- 3) Discussion about the future of the Church Hall has been raised by the Church Fabric Committee and the possibility of setting up a meeting with representatives from the PC, Church, Village Hall Cmte etc is being looked into - details to be confirmed;
- 4) The Bowling Club wall has been repaired. Some rubble was left behind and this was reported to Mick who said he'd pick it up the following week. Before I had a chance to confirm this with the Club they paid £30 to have the rubble removed & they've asked if the PC would consider paying this additional cost. Mick Byrne said that another section looks in need of repair although the Bowls Club have looked at this and are happy with the current state of the wall.
