Highways and Transport Advisory Group – January 9th 2024

As agreed at the December meeting a Highways Improvement request has been submitted to Wiltshire Council and is on the LHFIG agenda for 15th January.

The narrow lane between the Winsley War Memorial and the Village Hall has a sharp right-hand bend by 37 Winsley. It is unsuitable for through traffic. Delivery vehicles and occasionally ambulances looking for Dorothy House are using the lane as a through route. The lane is also being used for access / exit to / from the Village Hall, Bowls Club and Cricket Club.
Recently damage has been caused to 37 Winsley and a vehicle parked nearby when a delivery vehicle became "stuck".

Exchanges with our Highways Officer has elicited the following:
Advice should be given to the users of the above organisations to not use the lane and this to be reinforced with signage as below.

Winsley PC agreed to formalising the request at their meeting on 5th December 2023 and the residents in the immediate area have agreed to the style / location of the signage.

The estimated total cost is £1500 of which 50% will need to be funded by Winsley PC. Decision required as to whether this can be agreed at the LHFIG meeting or deferred for a decision later.

Road Closure B3108 – Winsley Hill (Part)

The stretch of the B3108 between Limpley Stoke Road and Murhill turn will be closed between 26th February and 6th March on weekday nights 19.00 – 0600 hrs.
This is for resurfacing the highway and pavement with associated ironworks and upgrading

road markings including yellow bars and a slow sign below the Avonpark exit.

Information awaited as to the affect on the D1 Bus Service.

DY Lines B3108 Canal Bridge Area & St Nicholas Church

These are scheduled to be applied during January / February.
