Case ref.

Our ref: 202897

26 August 2025

Dear Ms. Jobson,

Highways Act 1980 – Section 116 Application
Proposed stopping up of highway adjacent to 61 Murhill

I refer to a request received by Wiltshire Council to consider applying to the magistrates' court for an order stopping-up highway rights at this location in accordance with the enclosed plan. Legally, the area shown cross-hatched on the plan forms part of part of the highway verge. If the proposed application were to be heard and granted by the magistrates' court, the public would no longer have the right to pass and repass over this area. I emphasise that this would not be an application for development of the site.

An application to stop-up highway would be made on behalf of the adjacent owners, Mr. & Mrs. McCullough. I understand from them that you would support the proposal, as referenced in a letter forwarded from Councillor Linda Ladner and dated 9 July 2025.

I would be grateful if the parish council could consider the proposal at its meeting on 2 September 2025 and return the enclosed form to me to indicate its decision. If you would like further information, please contact me.

Yours sincerely,

K Gale
